

AIRS Miscellaneous Code

(Modified: May 4, 2022)

Automated import Reference System (AIRS) miscellaneous code must be submitted in the commodity details section of the declaration as per the rules in the Canada Border Services Agency (CBSA) Electronic Commerce Client Requirements Document (ECCRD), the CFIA appendix, and AIRS.

AIRS Miscellaneous Code and Descriptions

Code	Description
001	Without soil or growing media (bare roots), in transit through BC, AB or SK.
01	From Great Britain
1	Unstamped
002	Without soil or growing media (bare roots), not in transit through BC, AB or SK
02	From Northern Ireland
2	Prepackaged, metal
3	Prepackaged, other
4	2 or less, accompanied
5	More than 2
6	2 or less, unaccompanied
8	Bulk shipments
09	Accompanied
10	Field-grown tubers
011	Avian origin
012	other than avian origin
13	Bears
014	arriving by airplane
015	arriving by land
15	Without Soil
016	From a VS affected county
017	Not from a VS affected county
17	In capsules
019	Container weighing less than 200 kg, in transit through British Columbia
020	Container weighing more than 200 kg, in transit through British Columbia
021	Container weighing less than 200 kg, not in transit through British Columbia
22	With bark

022	Container weighing more than 200 kg, not in transit through British Columbia
23	Without bark
023	Container weighing less than 50 kg, in transit through British Columbia
024	Container weighing more than 50 kg, in transit through British Columbia
025	Container weighing less than 50 kg, not in transit through British Columbia
026	Container weighing more than 50 kg, not in transit through British Columbia
27	Without plant, above water level of sea
027	Born after January 1, 1999
28	With soil or related matter (including growing media not approved under the CGMP)
028	Born before January 1, 1999
29	Without soil, or in peat, perlite or vermiculite
30	To a regulated area of the province for GM and/or PSB
31	To a non-regulated area of the province for GM and/or PSB
33	Unmarked
34	Fully marked
034	Without soil, related matter or growing media (bare root)
035	Container < 200 kg, entering Canada through B.C. or has an end destination of B.C.
036	Container > 200 kg, entering Canada through B.C. or has an end destination of B.C.
037	Container < 50 kg, entering Canada through B.C. or has an end destination of B.C.
038	Container > 50 kg, entering Canada through B.C. or has an end destination of B.C.
039	Entering Canada through B.C. or has an end destination of B.C.
040	Not entering Canada through British Columbia
041	Without soil/ >50 kg, entering Canada through BC or end destination of BC
042	Without soil/ < 50 kg, entering Canada through B.C. or end destination of B.C.
043	With soil/ >50 kg, entering Canada through BC or end destination of BC
44	Not more than 30 dozen eggs
044	With soil/ <50 kg, entering Canada through B.C. or end destination of B.C.
45	Not more than 20 kg - processed egg products
045	Without soil/ >50 kg, not entering Canada through
46	Entering Canada through British Columbia
046	Without soil/ < 50 kg, not entering Canada through B.C.
47	More than 30 dozen eggs
048	With soil/ <50 kg, not entering Canada through B.C.
49	From below water level of a sea
049	Grade (N-P-K): % N + % P + % K <18% (e.g., 5-5-5 = 15%)
050	Grade (N-P-K): % N + % P + % K >18% (e.g., 6-6-6 = 18%)
53	<100 kg
59	Used and not contaminated with soil or plant debris

61	More than 20 kg - processed egg products
63	With bark - going to provincial infested areas
64	With bark - going to provincial non infested areas
67	Commercial shipments
68	Commercially packed
69	From Curry County
70	From Other than Curry County
73	Untreated
74	Treated
75	Processed
77	Processed or treated
79	Unprocessed or untreated
82	Container weighing more than 50 kg
83	Container weighing more than 200 kg
84	Prepackaged, glass
85	Container weighing less than 50 kg
86	Container weighing less than 200 kg
87	Prepackaged, plastic
89	Quarantined in Niue
95	Stay in USA 30 days or less
96	Stay in USA more than 30 but less than 60 days
97	Small "lots"
98	Other than small "lots"
99	Quarantined in Miquelon
106	Australia - Other than Tasmania - Bluetongue-free zone
112	Elephant
113	Other zoo animals
118	Regulated areas for GM
119	Non-regulated areas for GM
122	To a non-regulated area of the province for PSB
123	To a regulated area of the province for PSB
124	From a regulated US county for GM and/or PSB
125	From a non-regulated US county for GM and/or PSB
127	Up to 15 pkgs with combined weight of up to 250 kg/Treated
128	Up to 15 pkgs with combined weight of up to 250 kg/Untreated
370	Other than small "lots" / Non-authorized importer
371	Other than small "lots"/ Authorized importer
378	With soil / container weighing more than 50 kg

379	With soil / container weighing less than 50 kg
380	Small "lots" / Commercially packed
382	Other than small "lots" / commercially packed / authorized importer
383	Other than small "lots" / commercially packed / non-authorized importer
384	Without soil / container weighing less than 50 kg
385	Without soil / container weighing more than 50 kg
415	With soil / Prepackaged, metal
419	With soil / Prepackaged, other
427	With soil / Prepackaged, glass
431	With soil / Prepackaged, plastic
435	Without soil / Prepackaged, metal
439	Without soil / Prepackaged, other
447	Without soil / Prepackaged, glass
451	Without soil / Prepackaged, plastic
499	< 20 kg per person
500	> 20 kg per person
503	Waiver
504	Non-compliant product: applicable requirements of the <i>Processed Products Regulations</i>
506	Other than waiver
507	France - excluding the Bas Rhin and Moselle Departments
508	Other
511	England - Norfolk, Suffolk, Essex Counties
518	Cat. C - Low risk establishments
519	Cat. B - Medium risk establishments
521	Medium risk uncategorized plants
601	ON - East of Thunder Bay
602	ON - Thunder Bay and West
604	Regional District of Central Kootenay
605	North Okanagan/Columbia Shuswap West of Monashee Mountain Range
606	Other than Reg. District Central Kootenay and N. Okanagan/Columbia Shuswap West Monashee Mt. Range
608	Other destinations than Ontario or British Columbia
609	Other than small "lots"/ Authorized importer - East of Thunder Bay
610	Other than small "lots"/ Authorized importer - Regional Districts of Central Kootenay
611	Other than small "lots"/ Authorized importer - N. Okanagan/Col. Shuswap West of Monashee Mt. Range
612	Other than small "lots"/ Non-authorized importer - East of Thunder Bay
613	Other than small "lots"/ Non-authorized importer - Regional Districts of Central Kootenay

614	Other than small "lots"/ Non-authorized importer - N Okanagan/Col Shuswap West of Monashee Mt. Range
615	Other than small "lots"/ Authorized importer - West of Thunder Bay
616	Other than small lots/ Auth. importer-R.D. Central Kootenay/N. Okanagan/Col. Shuswap W. Monashee Mt. Range
618	Other than small "lots"/ Non-authorized importer - West of Thunder Bay
619	Other than small lots/ Non-auth.importer-R.D. Central Kootenay/N. Okanagan/Col. Shuswap W. Monashee
624	Small "lots" - East of Thunder Bay
625	Small "lots" / destined for Regional Districts of Central Kootenay
626	Small "lots" - North Okanagan/Columbia Shuswap West of Monashee Mountain Range
627	Small "lots" - West of Thunder Bay
628	Small "lots"-Other than Reg Dist Central Kootenay and N. Okenagan/Col. Shuswap W. Monashee Mt. Range
632	With bark - from infested U.S.A. counties
633	With bark - from non-infested U.S.A. counties
637	Without soil , or in peat, perlite or vermiculite and pre-packaged for travellers
638	With bark - for counties of Hancock, Kennebec, Knox, Lincoln, Sagadahoc, Waldo, Washington
639	November 1 st to January 31
640	February 1 st to October 31
652	Container weighing more than 50 kg / Other Chinese provinces
664	Container weighing less than 50 kg / treated
665	Container weighing less than 50 kg / untreated
666	Container weighing more than 50 kg / treated
667	Container weighing more than 50 kg / untreated
672	Without soil or growing media (bare root)
673	With growing media that is free of soil and related matter (CGMP)
674	Without soil or related matter
675	From non-infested counties
676	From infested counties
677	From Curry County - Feb. 1 - Oct. 31 - with bark
678	From Curry County - Nov. 1 - Jan. 31 - with bark
679	From Other than Curry County - Feb. 1 - Oct. 31 - with bark
680	From Other than Curry County - Nov. 1 - Jan. 31 - with bark
681	From Curry County - with bark
682	From Other than Curry County - with bark
683	<5 kg per person
685	Regulated areas of PSB with bark
688	Non-regulated areas of PSB with bark

694	Container weighing less than 200 kg / Shandong Province
695	Container weighing more than 200 kg / Shandong Province
696	Container weighing less than 200 kg / Shaanxi province
697	Container weighing more than 200 kg / Shaanxi province
698	Container weighing less than 200 kg / Other Chinese provinces
699	Container weighing more than 200 kg / Other Chinese provinces
701	Less than three (3) months of age
702	Over three (3) months of age
703	multi-level trailers
704	Single level trailer
705	Commercially packaged, small packets (equal to or less than 500 g) of corn as vegetable seed
710	Without further processing
713	Plants accompanying Importer at time of entry into Canada
714	Plants not accompanying Importer at time of entry into Canada
718	Plants (with soil) not accompanying Importer at time of entry into Canada
719	Plants (without soil) accompanying Importer at time of entry into Canada
720	Plants (without soil) not accompanying Importer at time of entry into Canada
721	Not commercially packed
724	Canadian cattle returning less than 30 days
725	American cattle for immediate slaughter
726	Container weighing more than 200 kg / Hebei Province
727	Container weighing less than 200 kg / Hebei Province
728	Container weighing more than 200 kg / Xinjiang Province
729	Container weighing less than 200 kg / Xinjiang Province
730	In transit through Canada
732	To or from Alaska through Beaver Creek Border, Yukon./Alcan, AK
733	To or from Alaska through another US/CDN border
735	Container weighing more than 50 kg - with a grade declared
736	Container weighing more than 50 kg - without a grade declared
737	With bark - From regulated US areas to regulated areas of the province for GM
738	With bark - From regulated US areas to non-regulated areas of the province for GM
739	To a regulated area of the province for GM
740	To non-regulated area of the province for GM
741	From regulated US areas for gypsy moth
742	From a non-regulated US area for gypsy moth
746	With soil, entering Canada through BC or end destination of BC
747	With soil, not entering Canada through BC
748	Without soil, entering Canada through BC or end destination of BC

749	Without soil, not entering Canada through BC
754	Personal use - Canadian travellers
755	4.5 kg or less, not commercially packaged
756	4.5 kg or less, commercially packaged
759	Other than small "lots"/authorized importer/destined for regional district of N. Okanagan
760	Other than small "lots"/authorized importer/to reg. dist. Columbia Shuswap W. of Monashee Mt. Range
761	Other than small "lots"/non-authorized importer/destined for reg. dist. of C. Kootenay
762	Other than small "lots"/non-authorized importer/destined for reg. dist. of North Okanagan
763	Other than small "lots"/non-auth importer/to reg. dist. Columbia Shuswap W. Monashee Mt. Range
764	Small "lots" / destined for regional district of North Okanagan
765	Small "lots" / destined for regional district of Columbia Shuswap West of Monashee Mountain Range
766	Small "lots" / destined for other districts of British Columbia
767	Other than small "lots" / authorized importer/destined for other districts of British Columbia
768	Other than small "lots" / non-authorized importer / destined for other districts of British Columbia
769	Non-processed
770	With growing media that is free of soil and related matter, previously approved by the CFIA
771	With soil or related matter, or with growing media not been previously approved by the CFIA
773	Less than three (3) days old
774	Over three (3) days old
775	Inoculated with pathogens
776	Not inoculated with pathogens
777	Dogs 6 to 8 weeks of age
778	Dogs over 8 weeks of age but less than 8 months
779	Dogs eight months of age or older
780	Dogs less than eight months of age
781	Container weighing less than 200 kg / Shanxi Province
782	Container weighing more than 200 kg / Shanxi Province
793	From non-regulated US areas to non-regulated areas of the province for GM
794	From non-regulated US areas to regulated areas of the province for GM
795	From a regulated US area to a non-regulated area for gypsy moth
796	From a regulated US area to a regulated area for gypsy moth
797	From Hebei Province
798	From Shandong Province
799	From Xinjiang Province
800	Other Chinese provinces

803	Completely finished articles (e.g. lacquered, painted, etc.), without bark
804	With bark or not completely finished articles (e.g. not lacquered, not painted, etc.)
805	Not for propagation
806	<1 liter
807	One (1) litre or more
808	Container weighing less than 200 kg / Liaoning Province
809	Container weighing more than 200 kg / Liaoning Province
810	More than 4 kg
812	Without soil, related matter or growing media - pre-cleared
813	Without soil, related matter or growing media - not pre-cleared
814	From an ALHB regulated area (as per US Federal regulations 7 CFR 301.51)
815	From an ALHB non-regulated area (as per US Federal regulations 7 CFR 301.51)
816	From an ALHB non-regulated area (as per US Federal regulations 7 CFR 301.51) to a GM regulated area
826	From non-regulated areas for PCN
829	Container weighing less than 22.7 kg
830	Container weighing more than 22.7 kg
831	Rooted, grown in soil-free media - Container weighing less than 50 kg
832	Rooted, grown in soil-free media - Container weighing more than 50 kg
833	Rooted, grown in soil-free media
834	Were in China, Japan, Korea or Russia, arriving between March 1 and October 15
835	Were in China, Japan, Korea or Russia, arriving between October 16 and February 28 (29)
836	Were not in China, Japan, Korea or Russia
837	Diameter equal to or less than 10 mm, with soil or related matter
838	Diameter equal to or less than 10 mm, without soil or related matter (bare root)
839	Diameter greater than 10 mm, with soil or related matter
840	Diameter greater than 10 mm, without soil or related matter (bare root)
841	Destined to an area regulated for Gypsy Moth
842	Destined to an area not regulated for Gypsy Moth
843	From an area regulated for European Larch Canker
844	From an area not regulated for European Larch Canker but regulated for Gypsy Moth
845	From an area not regulated for European Larch Canker or Gypsy Moth
846	From an area not regulated for European Larch Canker to an area regulated for Gypsy Moth
847	From an area not regulated for European Larch Canker to an area not regulated for Gypsy Moth
848	From an area regulated for European Larch Canker to an area not regulated for ELC
849	Destined to an area regulated for European Larch Canker and Gypsy Moth
850	Destined to an area regulated for European Larch Canker but not Gypsy Moth

855	Destined to an area regulated for Pine Shoot Beetle
856	Destined to an area not regulated for Pine Shoot Beetle
857	Destined to an area regulated for Pine Shoot Beetle and Gypsy Moth
858	Destined to an area regulated for Pine Shoot Beetle but not Gypsy Moth
859	Destined to an area regulated for Gypsy Moth but not Pine Shoot Beetle
860	Destined to an area not regulated for Pine Shoot Beetle or Gypsy Moth
861	From an area regulated for Asian Long-horned Beetle
862	From an area not regulated for Asian Long-horned Beetle
863	From an area not regulated for Asian Long-horned Beetle or Gypsy Moth
864	From an area regulated for Gypsy Moth but not Asian Long-horned Beetle
865	From an area not regulated for Asian Long-horned Beetle to an area regulated for Gypsy Moth
866	From an area not regulated for Asian Long-horned Beetle to an area not regulated for Gypsy Moth
867	From an area regulated for Asian Long-horned Beetle to an area regulated for Gypsy Moth
868	From an area regulated for Asian Long-horned Beetle to an area not regulated for Gypsy Moth
870	From an area regulated for European Larch Canker to an area regulated for ELC
873	From non-regulated areas for PCN in containers weighing more than 50 kg
874	From non-regulated areas for PCN in containers weighing less than 50 kg
875	From Liaoning Province
876	From Shaanxi province
881	Transshipment through the US
882	Direct shipment from the country of origin to Canada
883	Completely sealed with paint or thick coatings of varnish or other sealants
892	Oak cubes (less than 1.5 cm in thickness), oak wood shavings and chips as part of wine kits or oak cubes in wine barrels specifically for the purpose of flavouring.
893	Pure mushroom spawn with carrier material
894	Mushroom spawn with growing media (coffee grounds)
895	Mushroom spawn with growing media (processed barley, oat, rye, triticale or wheat straw)
896	Mushroom spawn with growing media (sawdust, wood shavings)
897	Mushroom spawn with growing media (red alder chips, with bark)
898	Mushroom spawn with growing media (red alder chips, without bark)
899	Mushroom spawn with growing media (other)
900	Mushroom spawn on wood piece (birch, without bark)
901	Mushroom spawn on wood piece (other)
902	From a regulated area for light brown apple moth and <i>P. ramorum</i>
903	From a regulated area for <i>P. ramorum</i> but not for light brown apple moth
904	From a regulated area for light brown apple moth but not for <i>P. ramorum</i>
905	From a non-regulated area for light brown apple moth or <i>P. ramorum</i>

906	Mushroom spawn on wood piece
907	Whole, uneviscerated (head on or head off)
908	Eviscerated (head on or head off)
909	Permanent stay in Canada
910	Temporary stay in Canada
911	Shipment 20 kg or less
912	Shipment of more than 20 kg
915	Eviscerated (Head on)
916	Eviscerated (Head off)
917	Preserved in formaldehyde or other preserving solution,
918	Unpreserved
919	From regulated areas for PCN in containers weighing less than 22.7 kg
920	From regulated areas for PCN in containers weighing more than 22.7 kg
921	From non-regulated areas for PCN in containers weighing more than 22.7 kg
922	From Henan Province
923	Container weighing less than 200 kg / Henan Province
924	Container weighing more than 200 kg / Henan Province
925	Dried and ground
926	Other processes
927	From a regulated area for light brown apple moth
928	From a non-regulated area for light brown apple moth
929	With soil or growing media, in transit through BC, AB or SK
930	With soil or growing media, not in transit through BC, AB or SK
931	Giant Panda
932	Oak cubes equal or greater than 1.5 cm in thickness
933	Live
934	Dead
935	Dried
936	Not dried
945	With bark - from an area not regulated for Asian long-horned beetle
946	Without bark - from an area not regulated for Asian long-horned beetle
947	Mushroom spawn on wood piece (beech, without bark)
948	Small "lots" / From non-infested counties
949	Other than small "lots"/ Authorized importer/From non-infested counties
950	Other than small "lots" / Non-authorized importer/From non-infested counties
951	wild marine origin
952	cultured marine or cultured freshwater or wild freshwater origin
953	whole, uneviscerated (head on or head off) / wild marine origin

954	whole, uneviscerated (head on or head off) / cultured marine or cultured freshwater or wild freshwater origin
961	During Sukkot Holiday travel period
962	Other than Sukkot Holiday travel period
963	Consignment requires certification
964	Consignment destined to an approved facility by the Office of Biohazard Containment and Safety
965	Consignment destined to a CFIA approved quarantine unit
966	Mushroom spawn with growing media (steam-sterilized millet and/or sorghum)
967	From Shanxi Province
970	Mushroom spawn with growing media (wheat middlings and wood shavings)
971	Dried and ground or composted
972	Consignment requires certification and is a food product and is >100kg
973	Consignment destined to an approved facility by the Office of Biohazard Containment and Safety and is a food product and is >100kg
974	Consignment destined to a CFIA approved quarantine unit and is a food product and is >100kg
975	Host species of light brown apple moth (<i>Epiphyas postvittana</i>)
976	Non-hosts species of light brown apple moth (<i>Epiphyas postvittana</i>)
977	Destined to an area regulated for the European Larch Canker
978	From an area not regulated for the European Larch Canker
