

## **Order Amending the Designation Order in Relation to Secondary Control Zones In Respect of African Swine Fever**

Whereas:

On March 19, 2019, secondary control zones were declared by the Minister of Agriculture and Agri-Food under subsection 27.1(2) of the *Health of Animals Act* in respect of African swine fever;

On March 29, 2019, an order (referred to in this order as the “Designation Order”) was made under subsection 27.1(3) of that Act designating things as being capable of being affected or contaminated by African swine fever;

The Minister has the power under section 27.3 of that Act to, by order, amend an order made under subsection 27.1(3) of that Act; and

As an inspector, I have the authority under section 33 of that Act to exercise the authority of the Minister under section 27.3 of that Act to amend an order made under subsection 27.1(3) of that Act.

Therefore, by this order, I make the following amendments to the “Designation Order”:

1. The Schedule is replaced by the following:

Any grain or oilseed, and their associated meals, that are destined for use in livestock feed, including those that are destined for:

- i) further processing or cleaning prior to their use in livestock feed; or
- ii) any other end use that relates to direct use in livestock feed.

Signed at Edmonton, April 27, 2022.
